

UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF MICHIGAN  
SOUTHERN DIVISION

UNITED STATES OF AMERICA,

Plaintiff,

Case No. 19-20616

v.

Hon. George Caram Steeh

REGINA BLACK

Defendant.

/

ORDER DENYING REQUEST TO REDUCE  
RESTITUTION PAYMENTS (ECF NO. 50)

Defendant Regina Black has submitted a letter to the court, which it will construe as a motion. Black seeks to terminate or reduce the amount she is required to pay toward restitution while incarcerated. Black was sentenced on December 9, 2021 to a term of confinement and a criminal restitution penalty of \$1,092,231.88. The Judgment provides that if imprisonment is imposed, “payment of criminal monetary penalties is due during imprisonment.” ECF No. 46, PageID.267. The Judgment contemplates payments under the Inmate Financial Responsibility Program while Black is incarcerated. Black signed an Inmate Financial Plan as part of the Inmate Financial Responsibility Program, agreeing to pay \$148 per month. ECF No. 50, PageID.279. The fact that Black signed the Plan under

protest so she would not lose other privileges is of no consequence. Once Black is released from custody and is on supervised release, a payment plan will be set by the Court based on an assessment of her ability to pay at that time, and payment will commence within 30 days after her release. ECF No. 46, PageID.267.

Accordingly, IT IS HEREBY ORDERED that Black's request for a reduction in payments toward restitution while she is in custody (ECF No. 50) is DENIED.
